

JUNIORS EXTREME HEAT POLICY

TEMPERATURE THRESHOLD

Where a temperature threshold is stated, the following measurement shall apply.

The “**Feels like**” or effective temperature (taking into account wind and humidity) from the nearest weather station in degrees from the Bureau of Meteorology (BOM) Weather App shall be used. The “feels like” temperature may vary from the absolute temperature depending on the level of humidity and wind.

SMARTPHONE APP

BOM shall be the official App for sourcing temperature data. The “feels like” temperature shall be the official temperature measurement. Smartphone location settings must be enabled.

CESSATION OF PLAY

- **Level 1** – The umpires, coaches or captains shall schedule additional drinks intervals in the event that the “feels like” temperature exceeds 32 degrees Celsius. Players and umpires may leave the field of play during this interval.
- **Level 2** – Play shall cease immediately in the event that the BOM “feels like” temperature, at the location, reaches or exceeds 38 degrees Celsius.
- **Resumption of play** – Play shall resume if the “feels like” temperature drops below 38 degrees or less.

LOSS OF PLAYING TIME (DUE TO EXTREME HEAT) is to be treated as adverse weather conditions as if the game was stopped for a rain delay.

ADVANCE CANCELLATION OF AN ENTIRE DAY’S PLAY

The association may determine to cancel a day’s play in the event that the forecast temperature, at 4:00pm on the day before scheduled play, is 45 degrees or more.

INCREASED DRINKS BREAKS AND EXTENDED INTERVALS

Forecast temperature exceeding 32 degrees

Prior to the start of play on any match day, the umpires if assigned, coaches and captains shall conduct a heat safety briefing -

- (a) to determine increasing the number and duration of drinks intervals, and;
- (b) to determine whether to extend the duration of interval between innings.
